Introduction

Freanding offers over 51,000 downloadable fiction and nonfiction eBooks for adults, teens, and children. You may check out up to nine eBooks from Freanding each week. Unused book loans roll over each week for a four-week period, after which they are cleared from your account. Freanding offers unlimited simultaneous use—all titles are always available!

Get an Adobe ID

Adobe licenses the copy-protection technology that keeps track of your eBooks' loan periods for Freanding. In order for the Freanding app to be able to do this, you must create a free Adobe ID:

1. Go to <https://accounts.adobe.com/> in Chrome or your browser of choice.
2. Tap the link for **Get an Adobe ID**:

3. Enter your information, and make a note of the exact password you used. Then, tap the **Sign up** button at the bottom of the screen:

The screenshot shows a 'Sign up' form with the following fields: a first name field containing 'Bob', a last name field containing 'Johnson', an email address field, a password field with masked characters '*****', a country dropdown menu set to 'United States', and a date of birth section with three dropdown menus for month ('January'), day ('1'), and year ('1999'). Below the form, there is a text block: 'By clicking "Sign up" I agree that:' followed by two bullet points: 'I have read and accepted the [Terms of Use](#) and [Privacy Policy](#).' and 'Adobe may keep me informed via email about products and services. [Learn more](#).' At the bottom left of the form is a blue 'Sign up' button, which is highlighted with a red rectangular box.

Pick of the Week

Bantam of the Opera (2009)

Publisher : HarperCollins e-books
Author : Daheim, Mary
Category : Fiction > Contemporary Women

Bed-and-breakfast hostess Judith McMonigle Flynn isn't exactly bellowing "Bravo!" over the news that obnoxious opera star Mario Pacetti and his entourage are coming to stay at the Hillside Manor. The world-class tenor is a renowned pain-in-the-neck—a bloated buffoon who could easily eat her out of house and home. So when the puffed-up, would-be Pavarotti inadvertently drinks poison and falls down dead on his toska, accusing eyes turn to Judith...

Aftertime (2013)
Publisher : Harlequin Luna
Author : Littlefield, Sophie
Category : Fiction > Romance > Fantasy

Awakening in a bleak landscape, Cass Dollar vaguely recalls enduring something terrible. Having no idea how many days—or weeks—have passed, she slowly realizes the horrifying truth: her daughter, Ruthie, has vanished. And with her, nearly all of civilization. Instead of winding through the once-lush hills, the roads today see only cannibalistic Beaters—people turned hungry for human flesh by a government experiment gone wrong.

In a broken, barren California, Cass will undergo a harrowing quest to get Ruthie back. Few people trust an outsider—much less one who bears the telltale scars of a Beater attack—but she finds safety with an enigmatic outlaw, Smoke. And she'll need him more than ever when his ragged band of survivors learn that she and Ruthie have become the most feared, and desired, weapons in a brave new world....

7. The screen will go gray and display the text **Processing**:

8. Once the book has been successfully downloaded, you will have the option to **Read Later** or **Read Now**. For this example, let's click **Read Now**:

Reading

While reading an eBook, tap the middle of the screen to reveal these options:

1. Place a bookmark.
2. Quickly flip through the pages of the eBook.
3. Return to the list of your downloaded eBooks.
4. View the table of contents.
5. View your bookmarks.
6. Search the text of the eBook.
7. Adjust font size, color scheme, line spacing, margin size, night mode, etc.

Deleting an eBook

1. Tap the  icon in the upper-right corner. From the menu that appears, tap **Delete Items**:

2. Find the eBook you want to delete, and tap the  button above it. Once you're finished, tap the check mark in the upper-left corner:

Renewing and Returning

You don't have to do either. As soon as the current check-out expires, you can just check it out again. All Freading eBooks are always available to all users.

Redownloading Borrowed eBooks

Follow these steps in the event your eBook did not download correctly.

1. Follow the steps in the “**Logging into the App**” section above if you’re not already logged into the Freading site.
2. Once you’ve logged in, tap **My Downloads** in the upper-left area of the screen:

3. On this screen, you’ll find a listing of all the eBooks you’ve borrowed from Freading, starting with the most recent. Tap the **Redownload** button next to the eBook that didn’t download correctly.
